PhD Candidate

EDUCATION

PhD in Astrophysics

2024–

Swinburne University of Technology, Australia

Supervisor: Prof. Jarrod Hurley

Thesis Title: *A New Census of the Transient Populations of Star Clusters*

MSc in Physics

2022–23

University of Auckland, New Zealand

Supervisors: A/Prof. Nicholas Rattenbury, A/Prof. Michele Bannister

Thesis Title: *LEO Satellite Constellations in the MOA Database*

BSc(Hons) in Physics

2020–21

University of Auckland, New Zealand

Supervisors: A/Prof. Nicholas Rattenbury, A/Prof. Michele Bannister

Dissertation Title: *Investigation of (2069) Hubble in the MOA-II Database*

BSc/BA

2016–19

University of Auckland, New Zealand

Majors: Physics, Mathematics (Science); Linguistics, Logic and Computation (Arts)

ADDITIONAL RESEARCH EXPERIENCE

University of Auckland

Auckland, New Zealand

Research Assistant, Department of Physics

Jul 2023–Jan 2024

- Experimental testing of an extremely low-resource optical identifier (ELROI) beacon for potential use on microsatellites. Signal analysis and data processing using Python.

TEACHING EXPERIENCE

Graduate Teaching Assistant, University of Auckland

Feb 2018–Nov 2023

- ASTRO 100: Planets, Stars and Galaxies, PHYSICS 102: Basic Concepts of Physics, PHYSICS 160: Physics for the Life Sciences, PHYSICS 390: Experimental Physics, MATHS 208: General Mathematics 2, COMPSCI 225: Discrete Structures in Mathematics and Computer Science.

Tuākana Tutor, University of Auckland

Feb 2018–Nov 2023

- Tutoring and mentoring programme for indigenous students.

AWARDS & HONOURS

2026–	LSST–DA Data Science Fellowship Program, LSST Discovery Alliance
2026	Travel award (invited seminar), Macquarie University
2025	Travel award (summer school), Flatiron Institute
2025	Best Student Poster Presentation (2nd place), ASA ASM
2019	First in Course: Linguistics 203: Applied English Grammar, University of Auckland

SCHOLARSHIPS

2024	ARC Research Training Program Scholarship, Swinburne University of Technology	<i>AU\$ 105k</i>
2022	Sustainability Network Research Award, University of Auckland	<i>NZ\$ 2k</i>
2022	Rangiriri & Mātene Te Whiwhi Winiata Scholarship, Māori Education Trust	<i>NZ\$ 5k</i>
2021–23	4 University of Auckland Scholarships	<i>NZ\$ 7.5k</i>
2017	Summer Research Scholarship, University of Auckland	<i>NZ\$ 6k</i>
2017	Department of Physics Scholarship, University of Auckland	<i>NZ\$ 6k</i>

PRESENTATIONS

Colloquia, Seminars, & Conference Talks

2026 Apr	Invited seminar: Macquarie University, Sydney, Australia
2026 Feb	ANITA Workshop, Perth, Australia
2025 Nov	Stars in Newcastle, Newcastle, Australia
2023 Jul	New Zealand Institute of Physics, Auckland, New Zealand

Posters & Short Talks

2025 Oct	CASFest, Melbourne, Australia
2025 Aug	CCA Flatiron Summer School, New York, USA
2025 Jul	Astronomical Society of Australia ASM, Adelaide, Australia
2025 Jun	MODEST-25 & IAU Symposium 398, Seoul, South Korea
2022 Jun	Royal Astronomical Society of New Zealand, Whangārei, New Zealand

OUTREACH ACTIVITIES

2023	Guest Speaker , School visit: Waiheke High School	Auckland, New Zealand
2022	Guide , Mount John Observatory Open Day	Lake Tekapo, New Zealand
2019	Demonstrator , UoA Department of Physics Open Day	Auckland, New Zealand
2018–23	Tutor , Tuākana Tutoring and Mentoring Programme	Auckland, New Zealand
2018	Volunteer , Museum of Transport and Technology Super STEM Fair	Auckland, New Zealand
2016–17	Volunteer , Maths Craft Festival	Auckland, New Zealand

COMMITTEES & PROFESSIONAL MEMBERSHIPS

2026–	Fellow , LSST–DA Data Science Fellowship Program
2026	SOC Member , ANITA Workshop
2025–26	Student Representative , ANITA Steering Committee
2025–	Astronomical Society of Australia
2025	SOC Member , OzGrav Winter School
2024–	LSST Stars, Milky Way & Local Volume Science Collaboration
2024–	ARC Centre of Excellence for Gravitational Wave Discovery (OzGrav)
2018	Committee Member , Physics Association of the University of Auckland
